Lanteria strives to deliver a HR solution that perfectly fits our customers' requirements and fulfills all of their expectations. That is why in addition to offering an on-premise system deployment, we can host your system for you in two cloud options: **Shared Cloud** and **Private Cloud** (both in Microsoft Azure).

While both options will provide all the benefits and functionality of the comprehensive product, there are a few key differences to consider when making the choice of which Cloud Deployment is right for your organization.

CLOUD DEPLOYMENT BENEFITS

- ✓ Simplified installation and update process
- ✓ Lower initial cost
- ✓ Expedited system support and automatic software updates
- ✓ No infrastructure costs
- ✓ Accessible anywhere anytime
